

# Join the THS Alumni Association

Pride in your high school should not stop on graduation night!!! Join us in supporting Terrebonne High School – the school we all loved when we were students – the school we continue to praise long after graduation. The (Official) Alumni Association, organized in 1986, awards a scholarship each year to a deserving THS senior. The funds for the annual scholarship are usually contributed by the graduating class from 50 years back, and someone from that class presents the scholarship. Some classes have contributed funds for two scholarships. Current members feel that it is up to us who have already benefited from the school to give something back. An “Alumni of the Year” award was established in 2003, and members of the THS class from 50 years back nominate someone from their class who has made a difference in some way during the years since their graduation. The Alumni Association has other interesting plans in the making, and some already underway – activities and projects that will enhance or contribute toward the betterment of the school and its students. We invite you to join our group and provide your input and suggestions for keeping the association going for years to come. *Join and share your ideas!*
